3. What happened/what was the workshop? Where was it and what skills were developed? *

Wilurarra Creative Metalwork workshops. The same men returned to weld but also some CDP fellas came around with Jordan and Callum. Latrelle showed his welding skills. The others consolidated their welding skills. PB and Janet went with me to the housing shed scrap metal site and returned with material for the women's project.

4. Number of people *

Include names

Grenville, Anthony, Rovayn, Brent, Latrelle, and PB

5. Approximate hours of work today *

The value must be a number

6. Any highlights and/or feedback? *

The first few days were very hot but the men welding continued to work hard on the project. Today many people walked past to see what was happening. Looks like the word is out, that something good is going on.
